December 4, 2019

MERRY CHRISTMAS!

Looking back on 2019, we are so honored (and amazed) at what's been accomplished through Project Mañana and your very generous partnership in the Dominican Republic. **THANK YOU** for your partnership and support!

Each day, a team of very dedicated people assemble at Project Mañana with one mission in mind - provide the best possible nutrition, education, clean water, and discipleship to vulnerable children (and their families) through our community development efforts. When Project Mañana began in September 2010, we provided services to 34 children. Today, as we finish 2019, we are so excited to say that we are able to provide services to **316 children!** **That's an overall increase of 829% since we began!**

In addition to our community development efforts, we are excited to complete 2019 with **7,045 inmates graduates** (male and female) from Project Mañana's *Institute for Authentic Manhood & Womanhood™*; which is currently active in **15 maximum-security prisons** throughout the Dominican Republic.

We fully recognize that none of this would be possible without your generous support! Project Mañana continues to be 100% funded through charitable donations and child sponsorships. It's people like YOU who are making the difference in the life of others!

Enclosed, please find Project Mañana's 2019 Year-End Report.

Year-End Giving...

If you are planning on making a year-end, tax-deductible contribution to Project Mañana, we kindly ask that it's received by **December 31, 2019** to ensure you receive a charitable gift receipt for the 2019 tax year.

2019 Year-End Giving Ideas

Looking for year-end giving ideas?
Here are TWO very important needs for Project Mañana:

MiniBus Fund

Project Mañana is in desperate need of a 16-passenger minibus to transport children, staff, and volunteers around the Dominican Republic

Total cost for the minibus is \$58,000 USD.

GIVE: ProjectManana.org/MiniBus

Hope Center Building Fund

Project Mañana is currently raising money to build the **Hope Center**: A three-story, state-of-the-art holistic care center in San Pablo, Dominican Republic.

The first floor will offer medical/dental offices, counseling offices, lobby, staff pantry, and bathrooms.

The second floor will offer a lobby, offices, pantry, bathrooms, and a large multi-purpose room.

Total cost for the Hope Center is \$200,000 USD

MISSION

Project Mañana exists to share the gospel and break the cycle of poverty by investing in impoverished children, their families and communities through clean water, nutrition, education, and discipling projects.

DONOR RESPONSIBILITY

Our desire is to administer donated funds with the same level (or higher) of integrity that you would. As a true nonprofit and Christian-based organization, we understand that our role is to help you obtain your international giving goals with ease and security. In fact, we're so serious about how we operate, that we've posted a link on every page of our website to our profile on GuideStar (a top-rated nonprofit watchdog group). Project Mañana has been awarded GuideStar's highest ranking of PLATINUM status.

MINISTRY HISTORY

Brian Berman, Co-Founder & President of Project Mañana International had a life-altering event take place in early 2003. In his words, *"my life had been going just fine, or so I thought, when it was radically interrupted by the death of my mother, Ingrid Berman"*. Ingrid, though passing away at the young age of 52, left a life legacy of caring for and helping others, one that impacted Brian to the point of reorganizing his own life ambitions which led to the formation Project Mañana International.

Brian visited the Dominican Republic in April 2007, and instantly fell in love with the people and their incredible culture. Shortly thereafter, he resigned from his corporate career and made the move to the Dominican Republic full-time in December 2007. His mission was simple; to begin *investing in people, instead of things!*

After serving with a team of amazing missionaries for a few years, Brian began dreaming of Project Mañana -- which would be a new and dynamic way of partnering with others to help break the cycle of poverty through clean water, nutrition, education, and discipling projects -- starting in the Dominican Republic.

On September 30, 2010 (Ingrid's birthday), Project Mañana International officially opened its doors as a recognized 501(c)(3) charitable organization! Since then, Project Mañana International has grown exponentially as more and more partners have come alongside the vision of *Working Together Today For An Eternal Tomorrow.*TM

OPERATIONAL MODEL

Project Mañana International achieves its goals through charitable donations and child sponsorship, which unites children in need with individual sponsors who wish to address the child's immediate and basic needs. Sponsorship gives vulnerable children the tools and opportunities necessary for success by providing benefits and supporting programs for each child - primarily in the areas of nutrition, education, clean water, and discipleship.

DOMINICAN REPUBLIC STATISTICS

- 32% of Dominicans live in poverty

CURRENT MINISTRY PROJECTS AND PROGRAMS

As a developing third-world nation, the Dominican Republic is challenged with several issues stemming from poverty, lack of education, and general disorganization. Some of the country's primary issues include, but are not limited to: lack of employment, teen pregnancy, drug/alcohol addiction, and crime. Since its founding, Project Mañana is working to directly combat these negative societal issues through several Projects.
